REMARKS

A Notice of Allowance was issued from the United States Patent and Trademark Office on December 28, 2004 along with an Examiner's Amendment. The Examiner's Amendment inserted the priority continuity claims into the specification.

The Examiner's Amendment refers to divisional application Serial No. 08/468,839 filed on June 7, 1995 which is now U.S. Patent No. 5,928,928. The correct divisional application Serial No. is 08/486,839. Therefore, this Amendment merely corrects a clerical error in the Examiner's Amendment with respect to the application serial number of the divisional application. No new matter has been added as a result of this Amendment.

Applicants respectfully request entry of the above Amendment and remarks. If the Examiner has any questions or concerns regarding this matter, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted.
